

THE KINDNESS PROJECT OF SAULT STE. MARIE

Services We Offer

Kind Hearts • Stronger Community

If you need help, **we are here** — around the clock. No judgment, no lectures. Just people who show up for their neighbours. You do not have to be "at your worst" to reach out.

How We Can Help You

- **Outreach supplies** — essentials delivered to you during street outreach, wherever you are.
- **Housing navigation** — one-on-one help working toward stable housing, at your pace.
- **Eviction prevention** — fast, small grants for rent or utility arrears, damage deposits, and moving costs through our Keep Home Fund.
- **Connections to resources** — shelters, food banks, crisis lines, and community programs — we help you find the right one.
- **Follow-up support** — we check back in, because you matter after the first visit too.
- **Harm-reduction supports** — supplies, naloxone training, safer-use education, and overdose-response planning.
- **Youth support (16–24)** — dedicated navigation for young people, including family mediation where safe.
- **Referrals & advocacy** — we help you get to the right service and stand with you through the process.
- **A conversation** — a respectful ear, a reminder that you are not alone. Every interaction matters.
- **Transitional housing** — supported units for people exiting homelessness, with a navigator beside you.
